

## Freestanding Full-Function Island Drive-Up ATM

The Monimax 7600i is an advanced multi-functional free-standing island, drive-up ATM designed to provide maximum reliability, security, and convenience.

### Features

An industry-first **automatic tilting screen** ensures maximum ATM banking convenience for your customers to suit various vehicle heights.

Proven deposit automation technology is provided from in-house designed and manufactured envelope-free deposit modules.

### Easy to deploy, highly reliable

The Monimax 7600i's footprint allows easy installation into virtually any existing location.

The Monimax 7600i provides continual deposit and cash service to customers with industry-leading uptime rates.

### Enhanced Security

The 7600i is equipped with dual UL level 1 safes for the depository and cash dispensing unit. Advanced security features include heat and vibration sensors, security alarms, and anti-skimming devices.

### Automatic tilting screen

Customers can adjust the tilting touch screen to their vehicle height. The screen angles upward to accommodate higher vehicles and SUVs.
